Presentation of Keys Ceremony at 12:00 p.m.

at

Harbor Town Harley-Davidson

2433 Hecker Rd., Manitowoc, WI

Ride on over to Harbor Town Harley-Davidson on Saturday, July 20 as Hogs For Heroes presents Army Veteran Cassandra Cutler of Two Rivers, WI, with the keys to the ride-of-a-lifetime! This gifting marks the TENTH injured Wisconsin Veteran that Hogs For Heroes has returned to the road and the therapeutic benefits of motorcycling in just over three years. And equally awesome, Cassandra is our first female recipient to receive this gift of healing freedom from our nonprofit.

Two wheels or four, rain or shine, it doesn't matter— we'd love to have you join us as we change the life of another injured Wisconsin Veteran rider and honor the gratitude we have for all Veterans. Make the event a destination ride— the HTHD family is throwing a warm reception! We'll be there from 10-2 spreading word of our mission, and "take the stage" at 12:00 p.m. to honor our newest recipient and officially hand over her keys. During this ceremony the Combat Veterans Motorcycle Association Chapter 45-3, whose mission is "Vets Helping Vets", will also officially "patch in" Cassandra, transitioning her from Auxiliary Member to Full Member now that she has her own bike. Trust us—you don't want to miss this ceremony! Stick around after to talk with us, meet our Veteran, and grab a lunch.

Hogs For Heroes has a simple mission: we are a 501(c)(3) Wisconsin nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling and the power of The Road. Each gifting is fueled simply by donations from grateful American citizens...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing. Please consider helping fund our next gifting. Learn more at www.hogsforheroeswi.org and like us on Facebook.
