Ride on over to West Bend Harley-Davidson on Saturday, August 31 as Hogs For Heroes presents Marine Staff Sergeant Mark Provencher Jr., of Plymouth, WI, with the keys to the ride-of-a-lifetime. This gifting marks the ELEVENTH injured Wisconsin Veteran that Hogs For Heroes has returned to the road and the therapeutic benefits of motorcycling in just a little over three years. That's a far cry from our goal of one a year! And YOU...our supporters, make that possible. Let's celebrate!

Two wheels or four, rain or shine, it doesn't matter— we'd love to have you join us as we change the life of another injured Wisconsin Veteran rider and honor the gratitude we have for all Veterans. Make the event a destination ride— *it's on Day #3 of The Milwaukee HOG Rally* and the WBHD family is throwing a warm reception! We'll be there spreading word of our mission and "take the stage" at 11:00 a.m. to honor our newest recipient and hand over the keys to the Bike he chose. Trust us—you don't want to miss this ceremony! Stick around after to talk with us, meet our Veteran, and enjoy the music, food and beverage vendors the dealership is hosting in the giant tent.

Hogs For Heroes has a simple mission: we are a 501(c)(3) Wisconsin nonprofit and we raise funds to buy Harley-Davidson motorcycles for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling and it's many benefits. Each gifting is fueled simply by donations from grateful American citizens...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing, and nothing else. Please consider helping fund our next gifting. Learn more at www.hogsforheroeswi.org and like us on Facebook.
