Ride on over to Legion Post 75 in Fond du Lac as Hogs For Heroes presents Vietnam Army Veteran David Ronn, of Fond du Lac, with the life-changing gift of wind therapy! This gifting marks our 20th injured Wisconsin Veteran that Hogs For Heroes has returned to the road in our five years of gifting Harleys and restoring freedom to those who fought for ours. Dave is our fourth of six to roll out in 2021's season still!

Bring friends-- two wheels or four, rain or shine-- we'd love to have you join us as we change the life of another WI Veteran and honor the gratitude we have for all. We'll be outdoors sharing our mission and "take the stage" at 3:00 p.m. to support Dave's continued healing by handing him the keys to a beautiful H-D Tri Glide to keep him safely riding for years to come. Trust us, you don't want to miss this emotional and patriotic moment. The Legion's Fox Hole Bar will be open to help us raise a glass to those Veterans who served, and sacrificed much, as we support the healing journey of this one. Come learn more about us, meet prior Recipients and friends old and new as we celebrate Dave's ability to stay on The Road.

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured WI Veteran riders whose healing would benefit from returning to motorcycling and the camaraderie of the rider community. Each gifting is fueled simply by donations... and 100% of every dollar donated for the Bike goes straight toward the next Bike & Veteran pairing. Please consider helping fund our next gifting.
