

WE'RE LOOKING TO ASSIST AN INJURED WISCONSIN VETERAN RIDER WITH A NEW HARLEY-DAVIDSON.

KNOW ANYONE IN NEED?

Are you a WI Veteran rider with a service-connected injury, a passion for motorcycling and the need to return to the open road for some therapeutic healing? Or, can you **SHARE** this information with someone needing to regain that peace?

Hogs For Heroes is a WI non-profit dedicated to healing the mental and physical wounds suffered by our WI Veterans during the course of active duty through the therapeutic benefits of owning and riding a Harley-Davidson. We raise funds to purchase Harleys for injured WI Veteran riders who now find themselves without means to have a bike and a deep need to return to the road and its comforts.

We believe the freedom of the road, the collegiality of riders and the pride and peace found in ownership can support the healing process for our injured Veterans. Awarding one bike at a time and recognizing one hero at a time, it is our hope that we make the rough road a little smoother for a Veteran who gave on our behalf.

We are accepting applicants NOW for the LAST TWO Harleys to be gifted July-Sept. 2022!
