MAY			
In early May, 2024 for a few weeks only!		Across Wisconsin!	Our last application period of 2022 will open in early May! We'll be selecting <i>three more</i> Veterans to return to the road in 2024 still. If you submitted earlier this year, your application is still good. Just learn about us? What are you waiting for? This is a much shorter application period and will be our last until next year.
May The Fourth Be With You			It's Our Birthday! Eight years ago today we put our first Veteran on the road—stunned we did it and unsure we could do it again. Now 41 Harley & Veteran pairings later... raise a glass for us and toast to more years of changing lives!
