We're rolling out 2Up and putting two more injured WI Army Veteran riders back on the road at once! Using a Harley-Davidson as the tool to assist our Recipient's healing, our gift returns their passion for riding and the many therapeutic benefits found in the wind. Our unique, Wisconsin-only nonprofit aims to gift one bike a year. Instead, our small force is proudly handing out keys to nine Veterans this summer; and we can't wait to return freedom to these two, Veterans #45 & #46 in an effort to change, if not save, their deserving lives.

These bikes have been fully sponsored by Wisconsin's Operating Engineers Local 139 fundraising last year, and **our Presentation of Keys will occur following their 2024 Poker Run for us.** Roll with us on this awesome ride and help fundraise for next year's gifts, or come simply for our ceremony. Bring your friends —rain or shine—as we honor the gratitude we have for all Veterans by changing the lives of these two. And trust us, you don't want to miss this emotional and patriotic moment. Come chat us up, meet our Recipients, and connect with friends old and new as we return freedom to those who fought for ours. See our website to read both of their stories of honorable service, struggle and strength.

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured WI Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by donations...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing. Please consider helping fund our next gifting.
