It's time to return the alternative therapy found in motorcycling to another injured and struggling Wisconsin Veteran riders's life! Using a motorcycle as the tool to enhance their healing and redirect their life, our gift returns personal peace, freedom and the supportive camaraderie of riders. This gifting marks the 47th WI Veteran that Hogs For Heroes has supported in our now eighth year of returning freedom to those who fought for ours...and it's our seventh bike this season alone. Unique to this gift, it has been fully paid for by Tavern League of Wisconsin (TLW) members across the state who have raised and shared funds with us this past year. This is the fourth bike the TLW has sponsored since 2021 and they are already working toward another in 2025! So we're headed to Andy's hometown of Superior, WI, where it just so happens that the TLW's President owns Jimmy's Saloon, to pass his keys and welcome him back to the road and into our family.

Bring friends—two wheels or four, rain or shine—to support the gratitude we have for all Veterans by assisting this one. We'll be hanging from 11:30 to 2:00 pm at Jimmy's Saloon for the chance to meet, tell you more about our uniquely Wisconsin mission and introduce you to prior Veteran Recipients. We'll "take the stage" at 12:30 pm to introduce you to our next Hero and present the keys to the awesome 2023 Road King Special he chose from Rice Lake Harley-Davidson. They will be grilling up burgers and brats for a donation lunch for us— so be sure to come hungry!

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by public donations...and 100% of every dollar donated for the Bike goes straight to the next Bike and Veteran pairing, and nothing else. Please consider helping fund our next gifting.
