Catch our uniquely Wisconsin mission in action as we kick things up a notch during the First Annual H-D Homecoming celebration by making another Veteran & Bike pairing happen! We believe riding is an alternative therapy; and we work to reconnect injured WI Veteran riders with a passion that helps them move through wounds sustained during active duty. Using a motorcycle as the tool to enhance their healing and redirect their life path, our gift of a Harley returns personal peace, freedom and the supportive camaraderie of riders to a struggling Veteran rider who can't afford to have a bike in his/her life. Despite our small nonprofit's goal to gift one bike a year, this gifting marks the 48th WI Veteran that Hogs For Heroes has supported in our now eighth year of returning freedom to those who fought for ours...and it's our eighth bike this season alone.

Bring your friends and ride on over—rain or shine—to share in the gratitude we have for all Veterans by assisting one at a time. The Homecoming event will have awesome vendors, live music and all things Harley to enjoy! We'll be hanging from 11:00 to 3:30 pm at for the chance to meet, tell you more about our mission and introduce you to prior Veteran Recipients. The cool band Superfly will let us take over their stage to introduce our next Hero and present the keys to the sweet 2021 Road King Special Cory, Recipient #48, chose from The House of Harley. Trust us...you don't want to miss this emotional, patriotic moment as we change, if not save, another deserving life.

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by public donations: and 100% of every dollar donated for the Bike goes straight to buying the next Bike and nothing else.
