Catch our uniquely Wisconsin mission in action as we make another Bike & Veteran pairing possible—our last of the year! We believe riding is an alternative therapy; and we work to reconnect injured WI Veteran riders with a passion that helps heal mental and physical injuries sustained during active duty. Using a motorcycle as the tool to enhance their healing and redirect their life path, our gift of a Harley returns peace, freedom, joy and the supportive camaraderie of riders to a struggling WI Veteran rider who can't afford to buy their own bike. Despite our goal of gifting one bike a year, this pairing marks the 61st Veteran that Hogs For Heroes has supported in our ten years of returning freedom to those who fought for ours.

We'd planned to gift a whopping ten bikes during our 2025 season; and after the Tavern League of Wisconsin (TLW) shared over \$38,000 with us this past April, we decided to put eleven Veterans back on the road instead! This Harley is the second fully sponsored by the TLW this year alone and their sixth since 2021. Bring your friends and ride on over—rain or shine—to share in the gratitude we have for all Veterans by assisting one at a time. We'll be hanging in the park across the street during the cool Car & Bike Show that runs from 10 am-3 pm for the chance to meet and tell you more about our mission and introduce you to prior Veteran Recipients. Join us as we pass our 61st set of keys to the trike this Veteran chose, and trust us, you don't want to miss this emotional, patriotic moment as we change, if not save, another deserving life.

Our mission is simple: as a 501(c)(3) WI nonprofit, we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by public donations: and 100% of every dollar donated for the Bike goes straight to buying the next Bike...and nothing else.
