Ride on over to H-D of Madison on Saturday, May 5 as Hogs For Heroes honors Army Veteran Jon Vandeyacht, Sergeant First Class, of Omro, WI with the keys to the ride of-a-lifetime: a 1998 H-D Electra Glide Ultra Classic & matching H-D Side Car, with less than 5,000 miles on her. This exceptional Iron Horse was donated by Scott Panzer, of Connecticut, who asked Hogs For Heroes to find the right Veteran to love her. Mission accepted, and will now be complete. This gifting will mark the fifth Wisconsin Veteran rider that Hogs For Heroes has returned to the road in 2 years.

Kick off your 2018 riding season by welcoming another Veteran rider back to the road. Two wheels or four, rain or shine, it doesn't matter. H-D of Madison is generously throwing the party—inside or out! Lunch will be available for a donation and the place will be packed with friends and supporters. Be sure to stop by— we'd love to meet you and tell you more about our mission—and trust us, you don't want to miss the ceremony!

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from regaining the therapy of The Road. Each gifting is fueled simply by donations from grateful citizens and 100% of all donations for the bike go straight to the next Bike and Veteran pairing. Please consider helping fund our next gifting. Learn more at [www.hogsforheroeswi.org](http://www.hogsforheroeswi.org) and find us on Facebook.
