Ride on over to Vandervest Harley-Davidson of Green Bay on Saturday, August 4 as Hogs For Heroes presents Marine Veteran Brian Russow, of Clintonville, WI, with the keys to the ride-of-a-lifetime! This gifting marks the sixth injured Wisconsin Veteran that Hogs For Heroes has returned to the road, and the healing benefits of motorcycling, in two years.

Two wheels or four, rain or shine, it doesn't matter— we'd love to have your join us as we change the life of another Veteran rider and honor the gratitude we have for all Veterans. Make the event a destination ride— the VVHD family is throwing an awesome Customer Appreciation Party that will include music, food, drinks and raffle fun. We will be there hanging all day and taking over the stage at 12:30 to honor our newest recipient and hand over the keys to the Bike he chose. And trust us— you don't want to miss the ceremony!

Our mission is simple: we are a 501(c)(3) Wisconsin nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling and the power of The Road. Each gifting is fueled simply by donations from grateful American citizens. Every dollar donated for the Bike goes straight to the next Bike & Veteran pairing. Please consider helping fund our next gifting. Learn more at [www.hogsforheroeswi.org](http://www.hogsforheroeswi.org) and find us on Facebook.
