Dear Wisconsin Veteran,

Thank you for your service to our Country and the many sacrifices that entails. It is our deep respect and gratitude that drives us to work for you.

We appreciate your interest in our organization and application process. We started Hogs For Heroes as a unique way for a grateful public to support, and honor, all of our Veterans by assisting one Veteran at a time. Since starting this journey we've learned many amazing things about the Veteran community; perhaps the most important is that few Veterans consider themselves to be "heroes". That is a revered title we chose because we find you, and the sacrifices you have made, heroic. We've learned Veterans also tend to be humble and selfless and typically don't want to put themselves ahead of others, especially other Veterans. While we respect and appreciate this honorable sentiment, we ask that it not hold you back from applying for an opportunity that could enhance your healing.

Let us be clear... we are not here to give someone an award. We are here to help change the life of someone in need. The gift of a Harley provides the means by which a Veteran rider can regain the therapeutic benefits of motorcycling. And if you've ridden before, you know exactly what we are talking about. While it is true we can only choose one Veteran at a time, we hope our continued growth will allow many more to regain the freedom of the road over the years to come.

We created this nonprofit and hoped we would be successful enough to gift one Harley a year. Instead, we returned eleven Veterans back to the road in just over a three year time period. Our fundraising efforts demonstrate that a grateful public is eager to assist our Veteran's healing in this unique way. Additionally, our many conversations with Supporters across the state, including your family, Brothers and Sisters in Arms and friends, tell us they genuinely want you to regain the therapeutic benefits that owning and riding a Harley can provide. Please consider this encouragement as you weigh the decision to apply.

Admittedly, the following pages require significant information and is an involved application process. We don't do this to be difficult; instead, we believe we owe it to our supporters to gather as much information as we can in an effort to make the best decision possible. Our supporters trust us with their hard earned donations and we take that very seriously. Because we have been able to gift more than one Harley a season, submitting your application once in the calendar year allows you to be considered for each gifting we are able to do in that year. We encourage you to keep a copy of everything in the event you would like to apply again the following year.

There is no gain in chances left untaken. Take the chance and do this for yourself and the many who support you.

Ride free,

Kevin & Audra and Craig & Michelle Thompson
