We're kicking off our 2022 season by putting two injured WI Veteran riders back on the road with Harley-Davidson motorcycles to help our recipients heal with the life-changing gift of wind therapy. With a goal of gifting one bike a year...our nonprofit is, instead, proudly starting our sixth year of gifting freedom by returning our 23rd and 24th Veteran Recipients back to the healing road.

Bring friends—two wheels or four, rain or shine—we'd love to have you with us as we change the life of another injured WI Veteran and honor the gratitude we have for all. We'll be hanging outdoors and "take the stage" at 12:00 p.m. to conduct our Presentation of Keys Ceremony and hand over the keys to the beautiful H-D Ultra Limiteds both Marines chose! Trust us, you don't want to miss this emotional and patriotic moment for these two men who still serve our communities today. And get this...the Harley for #23 is rolling out compliments of the fundraising efforts of Firefighters Local 311 in Dane County! Come chat us up, meet prior Recipients and connect with friends as we honor those who served, and sacrificed much, by supporting two more lives with the healing power found on The Road.

Our mission is simple: we are a 501(c)(3) WI nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by donations...and 100% of every dollar donated for the Bike goes straight to the next Bike & Veteran pairing. Please consider helping fund our next gifting.
