We're handing out keys as fast as we can to return injured Wisconsin Veteran riders back to The Road! With a Harley-Davidson as the tool to assist in their healing, our gift returns the therapeutic benefits of riding, a passion and the supportive camaraderie of the rider community. We created this WI-only nonprofit with the goal of gifting one Harley a year, thereby changing one life a year. This gifting marks the 35th injured WI Veteran that Hogs For Heroes has supported in our now seventh year of returning freedom to those who fought for ours. This bike will roll out with full sponsorship credit to Wisconsin's International Union of Operating Engineers Local 139, making this the fifth Harley and Veteran pairing they've made possible.

Bring friends—two wheels or four, rain or shine! We'll be hanging out— ready to tell you more about our unique work, reconnect with friends, and will "take the stage" promptly at 12:00 to hand over keys to the beautiful Harley he chose. Trust us, you don't want to miss this emotional and patriotic moment that honors this two-time Purple Heart and Bronze Star Medal Recipient and supports his ongoing journey with the gift of wind therapy.

Hogs For Heroes is a 501(c)(3) Wisconsin-only nonprofit and we raise funds to buy Harleys for injured Wisconsin Veteran riders whose healing would benefit from returning to motorcycling. Each gifting is fueled simply by donations...and 100% of every dollar donated buys nothing but motorcycle for our next Bike & Veteran pairing. Please consider helping fund our next gifting.
